

# An Ode to Queensland Juniors

The Queensland Reds and Dragons, for Individuals and teams  
Flew to Melbourne's Kings Club, to try and win their dreams

In Snooker and in billiards, they would fight to win the cup  
In individual and teams events, no-one would give up

Young Hayden and Jack Porter, are playing really "Goode"  
The Under 12 title, will be between, these two just like it should

The Under 15 title, is still a real close call  
Mid week is still too early, to predict just who may fall

In Under 18 Billiards, Four groups have had the right  
For a chance in semi finals, group winners have to fight

The Under 18 snooker, is also very tight  
The Kurt's, Rick's and Charlies of this world, will play with all their  
"might"!!!

The teams' events are interesting, each player fighting fair  
To represent their State with pride, and an individual flair

All in all, so far so good, I think we'd all agree  
This competition's hotting up, what will be will be.
