

Score Sheet Directive March 2018

Due the poor Condition Score Sheets are being sent to our Score Registrar, it is obvious that Team Captains are not taking enough care in completing Score Sheets before Submitting. From Round 5 Tuesday 13/03 /2018 If any Score Sheet received and deemed as difficult to read or illegible. The Submitting Team shall be Penalised a Deduction of Two (2) Team Points without appeal. The above is a Directive by the Executive Committee on 21/02/2018. President: Ian Gilbee
