On Monday, February 19 an EGM was held to determine the outcomes of a player participating in the north zone who was an unfinancial member during rounds 1 and 2. It was decided by the executive that the player concerned would lose all points won in these two rounds, and his opponents would be awarded points for those matches played (excluding bonus points). The handicaps of the offending player and his opponents will remain unchanged. Results for rounds 1 and 2 have been ammended to reflect these changes. This latest ladder also reflects the ammended points totals.

This case serves as a reminder that spot checks can be done on any club at any time of the season to determine player eligibility.
