Ranking points

Ranking points for the event will be allocated as follows:

- All 16 players - 100 points for participating
- The 8 finalists - an additional 100 ranking points
- The 4 winners - an additional 100 ranking points. The 4 winners will therefore each get 300 ranking points

Eligibility

The 4 players who have won the most games in their tier at the end of round 15 of pennant billiards will be invited to participate. 16 players in total for the event.

Players must confirm their attendance one week prior to the event. If any players are not available, then invitations are extended to the next best performing players.

Players compete in this event based on the tier they are playing on as at the end of round 15, regardless of whether they were re-handicapped and competed on a different tier during the season.

Most games calculation is based on the total number of games won by a player during the season regardless of whether they competed on different tiers during the season.
