

## **INFORMATION STATEMENT ROUND 8 MATCH.**

It has been brought to my attention that two teams in **Round 8** due to the visiting side arriving late led to captain's agreeing to shorten the billiards match by doing away with handicaps and playing from scratch.

There are certain conditions listed in the rules whereby playing conditions can be altered, arriving late for any reason is not one of them.

Captains do not have the right to alter allotted handicaps under any condition and maybe subject to penalties being imposed by the executive committee at any stage.

**President/Secretary Ian Gilbee For and on behalf of the executive committee.**
