

Score Sheets Season 2024

TO ALL MEMBERS

Due to the amount of poor quality score sheets being returned weekly to our score register the executive committee have decided that enough is enough and penalties will be issued for future indiscretions.

A score sheet from the round 9 match Box Hill 2 v Greensborough was so poor a penalty of 4 pts each has been administered.

As of round 10 Tuesday 30 /4/2024 (start of season round 2) any score sheet sent to the score register and judged to be of poor quality eg: incorrect data - poor quality writing-photo smudging-sign by BOTH captains and any other indiscretion will be referred to executive committee for assessment which could attract a penalty up to of both teams losing all points for any match.

Of course this is not what we want so please make sure this does not happen to your team ask team members to check or assist and counter sign with opposing captain. We understand it is a thankless task but someone has to do it and your effort will be greatly appreciated by score register and committee.

Please understand the time spent by our score register voluntarily for 30 weeks bringing all results to you so let's all make it as easy for him as possible thank you.

Secretary / President Ian Gilbee for and On Behalf of Executive Committee.
